RAISE YOUR BEER

BrewDog started in Fraserburgh, Scotland as just two mates, a dog and a love for good beer.

Tired of the lacklustre beer scene in the UK and convinced they could do better they took out a scary bank loan and started brewing.

Filling bottles by hand, working into the wee hours. Pint by pint, they changed what beer could be. Now brewing in Australia, Scotland & the USA with the same passion, obsession and mischief built over the last 19 years.

An uncompromising love of beer.
