### ALLERGEN AND NUTRITIONAL ADVICE

If you suffer from a food allergy or intolerance, please inform the team member when placing your order.

Menu descriptions may not always include all the ingredients contained within the dish.

Our food and drink is prepared in areas where we handle allergens, including nuts and peanuts. So we are unable to guarantee an allergen free environment or product. Some of our vegetarian and plant-based ingredients may also be affected by our preparation and cooking methods.

If substituting a product for NGCI (non gluten containing ingredient) such as rolls or bread, check the allergen table to ensure no other gluten containing ingredient is present. Please be aware when substituting ingredients, this could introduce additional allergens or intolerances to the dish, so ask a member of the team before ordering.

All allergen information can be found scanning the QR code.
